A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Without modifying our opinion, we draw attention to Note 2 to the accompanying unaudited financial results regarding sale of certain apartments in the proposed residential towers to an associate company, on which the Company has recognized revenue of Rs 60.01 crore during the half year ended September 30, 2013.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with Accounting Standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 as per Section 211(3C) of the Companies Act, 1956 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
